

## REMARKS

The present amendment is submitted in conjunction with the filing of a CIP application in the above-referenced application.

In this Preliminary Amendment, the specification has been amended to correct typographical errors.

Claim 1 was amended only to add a colon after "characterized in that". New claims 14 and 15 were added. Claims 14 and 15 are identical to claims 6 and 7, respectively, but depend from claim 5, rather than claim 4.

The Applicant respectfully submits that this application stands in condition for allowance. Action to this end is courteously solicited.

Should the Examiner have any further comments or suggestions, the undersigned would very much welcome a telephone call in order to discuss appropriate claim language that will place the application into condition for allowance.

Respectfully submitted,

Michael J. Striker
